## PROFESSIONAL SUMMARY

Adaptable Full Stack Web Developer with expertise in JavaScript, Node.js, Express.js, and React.js. Proficient in designing efficient server-side APIs and integrating frontend components. Skilled in both NoSQL databases like MongoDB for optimizing database models and queries, as well as SQL databases. Leveraging Gen AI for prompt engineering to enhance project development and problem-solving capabilities. Possesses strong problem-solving and teamwork abilities with exceptional attention to detail.

## EDUCATION

### PC Jabin Science College

Computer Science BSc

May 2019

### Masai School

Full Stack Web Development

September 2023

## SKILLS

**Technical Skills:** Docker, HTML5, Responsive Web Design, CSS3, RESTful APIs, MongoDB, Express.js, Git, Node.js, Redux, React, JavaScript, Socket.io, SQL

**Soft Skills:** Adaptability, Attention to Detail, Time Management, Teamwork, Effective Communication

## EXPERIENCE

### Kalvium | *Full Stack Developer*

October 2023 -

- Collaborated with cross-functional teams to deliver high-quality projects, demonstrating strong teamwork and communication skills.
- Effectively adapted to various work environments and shifting project priorities, ensuring timely and successful project completion.
- Utilized problem-solving and critical thinking abilities to address development challenges efficiently.
- Maintained a proactive attitude and commitment to continuous improvement in all aspects of project development.

## PROJECTS

### Mirror Mate | *React, Node.js, Express.js, MongoDB, RESTful APIs, WebRTC, Socket.io*

- Collaborated with a team of four to develop and enhance a robust screen share app using React and Node.js.
- Leveraged WebRTC and Socket.IO to implement real-time video call and screen sharing features.
- Maintained clear communication within cross-functional teams to meet project deadlines and deliver quality results.
- Adapted to evolving project requirements and troubleshoot technical challenges promptly.
- Contributed significantly to creating a seamless user experience with chat and screen-sharing functionalities.

### Scholario | *Python, Sql, Django*

- Collaborated with educators and administrators to align project deliverables with school needs, ensuring effective communication and project success.
- Managed tasks and deadlines with professionalism, delivering project components on time while handling workplace challenges.
- Adapted quickly to evolving project requirements and priorities, showcasing flexibility and resilience.
- Maintained strong organizational skills, ensuring meticulous attention to detail throughout the project lifecycle.

### Shop-now | *Node Js , Express Js, mongodb, cookie, JWT, Javascript, HTML, CSS*

- Developed a replica of Shop Clues with a focus on intuitive user interface and seamless product browsing.
- Implemented secure payment processing using JWT and cookies to enhance transaction security.
- Ensured high-quality code with attention to detail and commitment to delivering a professional product.
